INTRODUCTION

Multiverse Studio, Inc. is a full-service, one-stop solution to custom designed physical products for marketing, promotion, and retail use.

Founded as a design firm to provide unique product design services to the collectible toy industry, we have grown into a cross-industry platform that bridges manufacturers, clients, and consumers through creativity. We pride ourselves in accuracy and expediency of our services as well as our wide range of capabilities and competitive pricing.

MULTIVERSE STUDIO INC.

CLIENTS & PARTNERS

We work with many of the largest and most renowned companies in the entertainment and gaming industry, utilizing state-of-the-art processes, equipment, and technology. We take pride in creating strong, lasting relationships with our clientele.

CONCEPT DESIGN & DEVELOPMENT

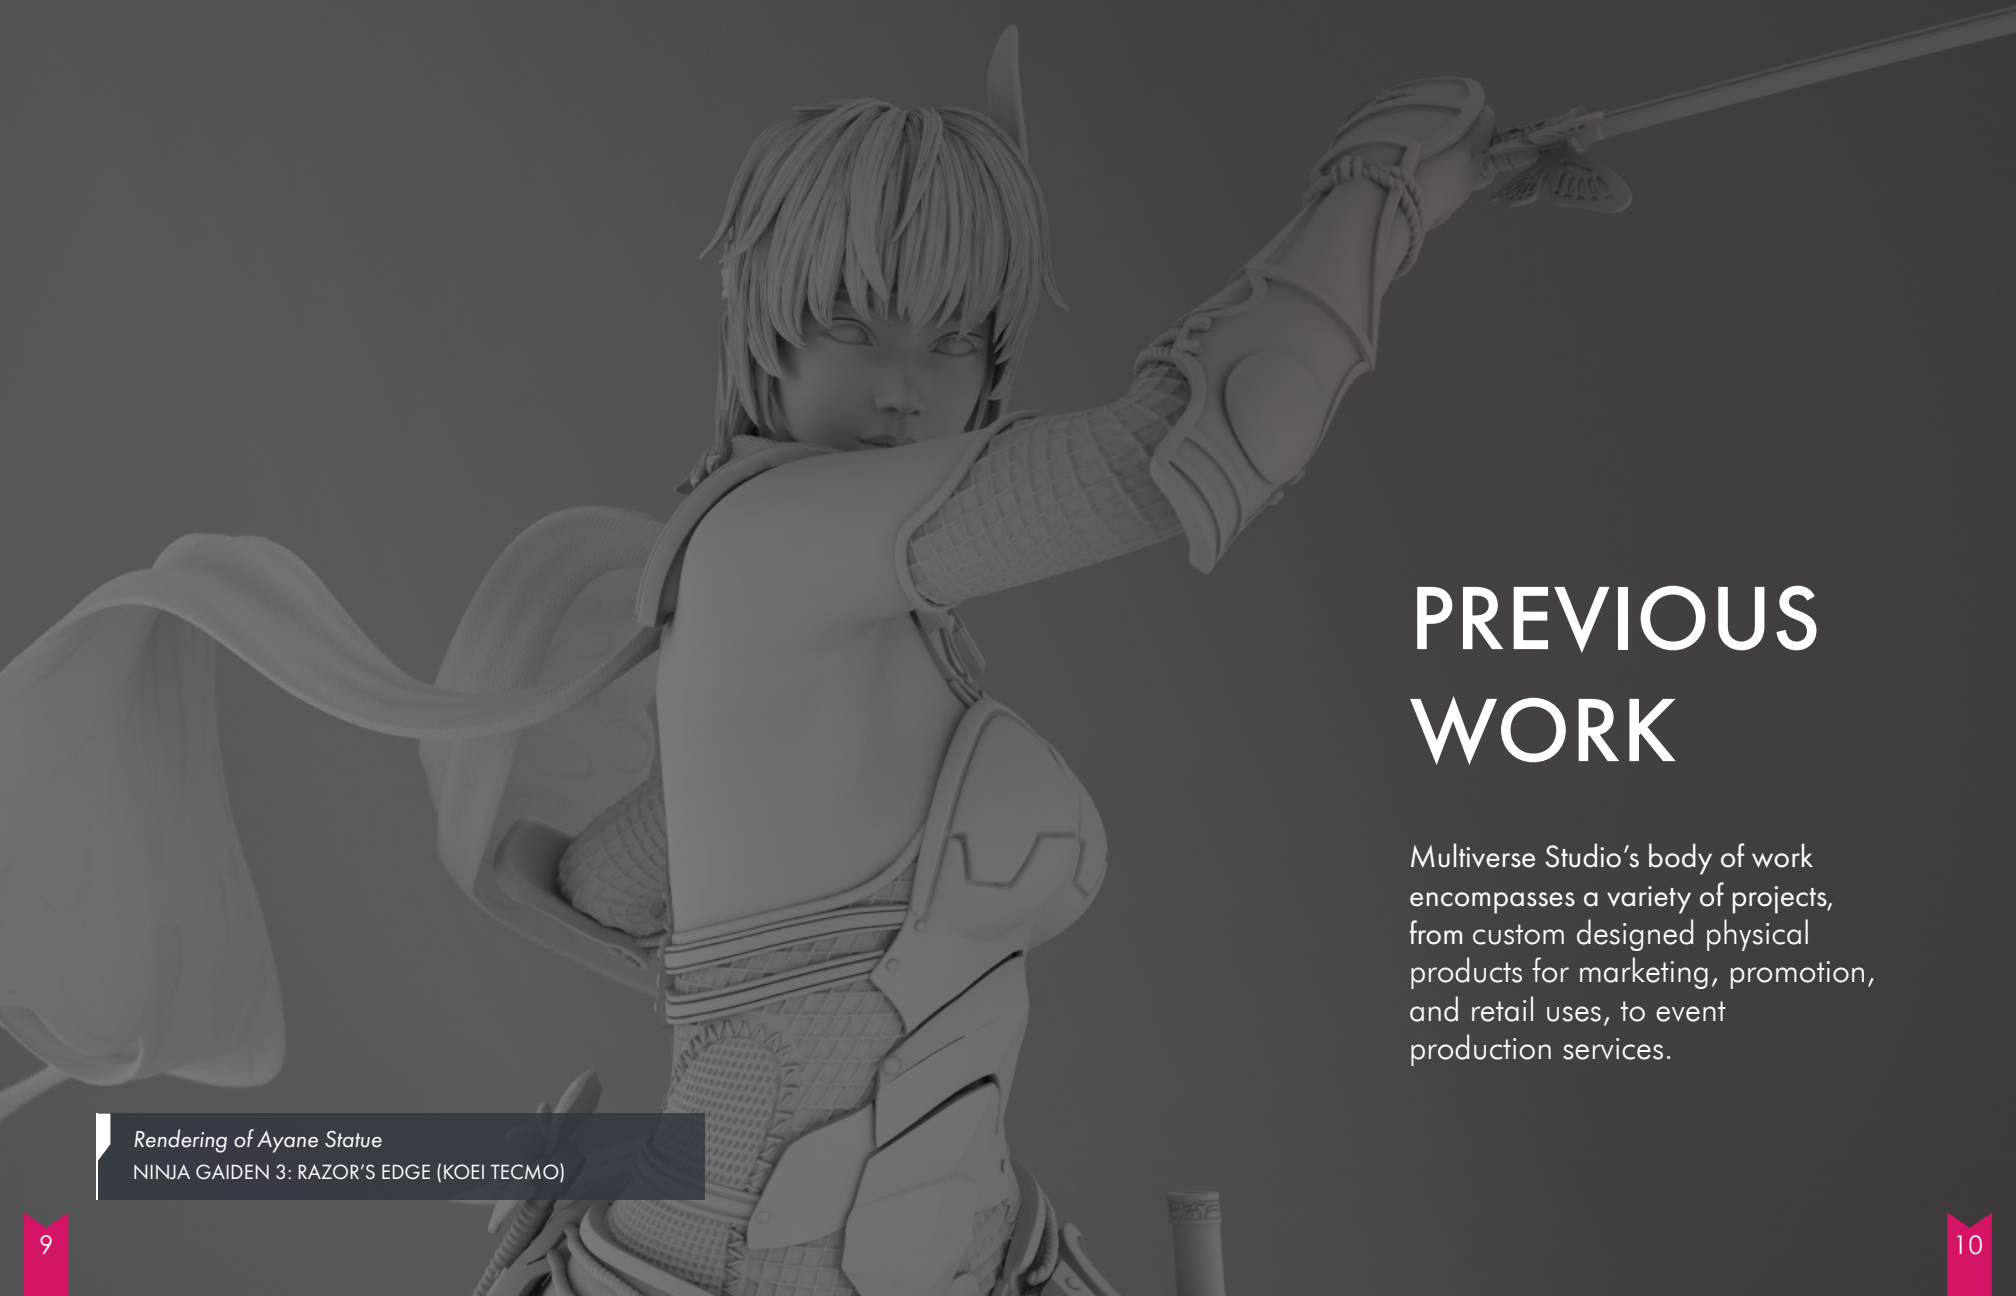

Our designers and artists utilize state-of-the-art techniques and tools to accurately depict the products in order for us to ensure what you have in mind matches the finished product.

WORLDWIDE & REGION SPECIFIC IMPORT / EXPORT LEGAL COMPLIANCE

Our logistics experts have over 15 years of experience in dealing with safety and legal compliance of almost all the countries and regions globally. We continually monitor the international trade industry as an added value service to our clients.

PREVIOUS WORK

Multiverse Studio's body of work encompasses a variety of projects, from custom designed physical products for marketing, promotion, and retail uses, to event production services.

PROP REPLICAS AND LARGE FORMAT DISPLAYS

Our company specializes in creating 1:1 scale prop replicas and large-format displays that boast an incredible level of detail and realism, achieving 100% accuracy in recreation. We seamlessly integrate electronic components for added effects, enhancing the authenticity without compromising the aesthetic. Built with durability and weatherproofing in mind, our products are designed to withstand various conditions while remaining easy to assemble and transport, ensuring a hassle-free experience from setup to display.

SMALL SCALE REPLICA ITEMS

Our company specializes in producing small-scale replica items that exemplify premium quality, capturing the maximum level of detail in every piece. We work with a variety of materials and mediums to faithfully recreate originals, ensuring versatility and authenticity in our products. By accommodating all budget levels, we make high-quality replicas accessible to a wide range of clients, delivering exceptional value without compromising on excellence.

RESIDENT EVIL 20TH ANNIVERSARY
S.T.A.R.S. Badge

A close-up photograph of a white and black figurine, likely a character from a video game or movie. The figurine is shown from the waist down, wearing a white skirt with black trim and a black belt. The background is dark and out of focus.

PREMIUM QUALITY STATUES AND FIGURINES

Our talented team of designers and sculptors collaborates closely with clients to design and produce both digital sculptures and physical figurines that resonate with fans and collectors. Whether it's for video games, movies, or original creations, our products are crafted with precision and attention to detail, making them a must-have for enthusiasts and collectors alike. From concept to creation, we are committed to delivering stunning, lifelike statues and figurines that reflect the unique personality and specialty of each character. Utilizing cutting-edge technology and creative craftsmanship, MULTIVERSE STUDIO, Inc. is your go to source for both digital and physical character product solutions.
